GENERAL INSTRUCTIONS

1. General dialing instructions:

a. Internal Calls (Official 487-5000 series numbers)

- (1) Listen for the dial tone.
- (2) Dial the 4 – digit extension number desired.

b. Local Calls (Other than the 487– 5000 series)

- (1) Listen for the dial tone.
- (2) Dial 7.
- (3) Dial the desired 7 – digit number.

c. Long Distance Directory Assistance – See the commercial telephone directory.

d. Long Distance

- (1) Listen for the dial tone.
- (2) Dial 7.
- (3) Dial the access code 1 + (Area code + the 7 – digit number).

2. Personal calls on government telephones:

- a. Use of government telephone facilities is limited to official business. However, federal employees may make reasonable personal use of government telephone systems for emergency calls or calls which are necessary in the interest of the government.
- b. Official business calls include local and long-distance if the calls do not adversely affect the performance of the employees' official duties, are of reasonable duration and frequency, and reasonably cannot be made at another time. Personal calls cannot result in a charge to the government even if the employee intends to reimburse the government. A personal long-distance call must be made to an 800 – toll free number, non-government number, or charged to a personal telephone credit card. Additionally, personal calls for information assistance may not be made if a charge results to the government telephone.
- c. Examples of permissible types of personal calls include: checking on a family member, making or canceling personal appointments, checking on the status of a home or auto repairs, and notifying family of overtime requirements or other changes in schedules.

IF ITS AN EMERGENCY: JUST DIAL 9-1-1

WHEN SHOULD YOU CALL 9-1-1?

What is an emergency?

An emergency is something that must be stopped, prevented, or dealt with at the immediate time because someone's life or physical well being, or property is being threatened. (NOTE: Loud music complaints, burglaries, barking/loose dog complaints, oil spills, etc, should not be called in on 9-1-1.)

WHAT WILL THE DISPATCHER ASK WHEN YOU CALL 9-1-1?

All callers are asked the following questions which help the dispatcher prioritize your call and will provide the responding officers with information before their arrival.

QUESTIONS WE'LL ASK

1. What is your name and phone number? We may need to call you back. What is the location?
2. What is the nature of the problem? Is fire, police, or medical response needed?

Is anyone injured?

Give basic description of what occurred.

3. When did it happen? Is it occurring now? When did it occur?
4. Give a suspect description.

DID THE PERSON HAVE A WEAPON?

Tell about the person's:

Sex, race, age height, clothing, hair color, eye color, facial hair, eye glasses, hat, date of birth, clothing description.

5. Give a vehicle description. Think of the word CYMBAL.

C – Color

Y – Year

M – Make

B – Body Style

A – And

L – License Number

Also describe any dents or other identifying features and the direction of travel.
